

WHAT DO WE DO:

- Enhance communication and emotional intelligence
- Improve decision-making under pressure
- Master public speaking and presentation skills
- Build self-confidence and self-motivation in employees
- Read people more effectively in negotiations and meetings
- Workshops that fuse mentalism with team building, confidence building, public speaking, and more.
- Keynote Performances that inspire, motivate, and ignite new insights.
- Custom Programs designed for leadership, sales, HR, and executive growth.

STEP ZERO

**UNLOCK THE POWER OF MIND &
PERFORMANCE
CORPORATE TRAINING & MENTALISM FOR
IMPACTFUL TRANSFORMATION**

WHO WE ARE:

Led by Mr. Yash Dave, a dynamic corporate trainer with a background in engineering and a passion for performance science, STEP ZERO combines the art of mentalism with high-performance techniques in human behavior to deliver transformative results. At just 27 years old, Yash has already spent several years on stage and in boardrooms, helping organizations and individuals break barriers to unlock their full potential.

STEP ZERO is where the mystery of the mind meets the science of high performance. STEP ZERO is where clarity, confidence, and performance begin.
